Town of Lawrence,

We are in agreement with allowing Rick & Jill Barlament to have more than two dogs at 833 Windsong Way.

Brett and Vicki Christensen 819 Windsong Way De Pere, WI 54115

## Conditional Use Permit Town of Lawrence, Brown County

Conditional Use Permit for More than 2 dogs 833 Windsong Way, De Pere Parcel L-870 Owned by: Rick & Jill Barlament

WHEREAS, the Town of Lawrence Ordinance 107-2 states no person shall own, harbor, or keep in his/her possession more than two dogs on property zoned residential; and

WHEREAS, Section 107-2 allows for additional dogs on residential or estate residential zoned properties with a Conditional Use Permit issued by the Town Board; and

WHEREAS, the Town Board has received an application from Town Resident, Rick & Jill Barlament, 833 Windsong Way, for a conditional use permit for the purpose of owning and caring for up to three (3) dogs on property in a residential zoned district; and

WHEREAS, there was three testimonies received at the public hearing and fourteen written testimonies received; and

NOW THEREFORE, following a public hearing at a regular Town Board meeting on April 22, 2024, the Town Board of Supervisors approved a Conditional Use Permit for Rick & Jill Barlament to own, harbor or keep in their possession one (1) additional dogs over the two-dog limit with the following conditions:

- 1. There are no municipal court citations and convictions against these dogs.
- 2. All dogs harbored on the property shall be licensed on an annual basis in accordance with the Town of Lawrence dog license policy.
- 3. Maximum of 3 dogs harbored on the property.

This Conditional Use Permit shall remain in effect until such time the additional dog is no longer harbored at 833 Windsong Way. At that time, property will be in compliance with Town Ordinance 107-2.

BE IT FURTHER RESOLVED, failure to comply may invalidate the Conditional Use Permit, per Town Ordinance 300-205.

## TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Town Board of Supervisors

**REPORT FROM:** Scott Beining, Building Inspector/Zoning Administrator **AGENDA ITEM:** Staff Report-Planning/Zoning item ROBINSON CUP

1. **Public Hearing:** Conditional Use Permit (CUP) for storage building at 1633 Yellow Briar Dr. at Parcel L-651 by Todd Robinson & Darrell LaCrosse

Open-hold-Close Public Hearing

2. Consideration of Conditional Use Permit (CUP) for storage building at 1633 Yellow Briar Dr. at Parcel L-651 by Todd Robinson & Darrell LaCrosse

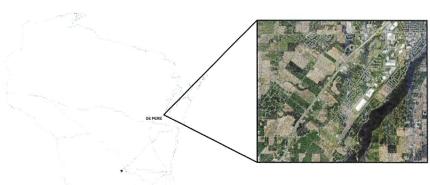

Todd and Darrell are requesting the CUP to build a personal storage building for their personal use. The CUP would include conditions to allow only personal storage, no heavy equipment or commercial storage. Many trees would remain in place and landscape would be used to keep the property look less commercial. Considering the fact that this parcel is currently zoned B-1 and many uses are allowed as is...this may be a low impact building and use for the neighborhood. PZ voted unanimously to recommend approval with conditions to be discussed at public hearing. See draft CUP document attached.

This parcel has existed and has been zoned B-1 since the creation of the Industrial Park in 1996. It was zoned B-1 as a transition from L-I I to the future residential lots existing today. The lot has remained wooded the whole time. Current uses in B-1 zoning allow for businesses such as offices, auto parts store, bar/restaurant, day care, bank, and most other retail type businesses. Issuing a CUP for personal storage/warehouse fits within the scope of allowed uses with CUP in our ordinances. Conditions will help define exactly what may exist on the property. Any violations of the conditions would call for a review by the Town Board, which could result in revocation of the CUP.

Re: Opposition to Conditional Use Permit for a storage building at 1633 Yellow Briar Drive, Parcel L-651, by Todd Robinson and Darrell LaCrosse

Town of Lawrence Board of Supervisors,

As a concerned neighbor who will be directly affected by the proposed "storage building" at 1633 Yellow Briar Drive, Parcel L-651, planned by Todd Robinson and Darrell LaCrosse, I am writing to express my strong opposition to the request for a conditional use permit. I am deeply troubled by the proposed project. The scale of the the proposed storage building is clearly more consistent with industrial/commercial use than personal use. The building plan I have seen is nearly identical to the most recent storage building built by Robinson Inc. While I understand the need for economic growth, I strongly believe that the potential negative impacts of this project far outweigh any benefits. The current unsafe and unsightly traffic conditions caused by Robinson Inc. along Yellow Briar Drive must be addressed before any further development in the area is considered.

One of the most urgent concerns is the chronic obstruction of Yellow Briar Drive by trucks and other heavy equipment associated with the daily operations at Robinson Inc. The current operations already cause nearly daily roadway blockages, leading to significant inconvenience and posing safety hazards for residents, commuters, and those involved in operations at Robinson. Using a public roadway for commercial purposes (such as loading and unloading goods and moving materials around the laydown yard) is a significant safety hazard and disrupts traffic flow. Robinson Inc. and its transport contractors regularly park multiple large semi-trucks, trailers, and large equipment on both sides of Yellow Briar Drive. This not only blocks traffic flow but also blocks sight lines and causes dangerous conditions for everyone involved. My neighbors and I have repeatedly expressed this concern to the Town of Lawrence, but there has been no satisfactory resolution. Developing the site at 1633 Yellow Briar Drive without addressing these issues would only exacerbate the problem, further disrupting local traffic flow and increasing the risk of accidents.

In addition to the roadway obstruction, there are significant concerns regarding unsightly garbage along the road and surrounding area, noise pollution, and environmental degradation. These issues collectively jeopardize the well-being and safety of our community. The proposed project lacks sufficient measures to mitigate these adverse effects, indicating a disregard for the health, safety, and well-being of local residents. Any development plans must prioritize the safety and quality of life of those who call this neighborhood home.

In light of these concerns, I urge you to carefully consider the implications of granting a conditional use permit for the proposed storage building. Alternative options that address the chronic obstruction of the roadway and prioritize the best interests of our community should be thoroughly explored. It is the duty of the town board to protect our community from unsafe development.

Thank you for considering my opposition to this proposal. I trust that you will take decisive action to protect the rights and well-being of the residents impacted by this decision.

Sincerely,

Billina Augustian 1731 Crimson Ct. De Pere, WI 54115 920-660-4116 Steve and Dona Maack 1626 Yellow Briar Drive De Pere, WI 54115

RE: Public Hearing for a request Conditional Use Permit (CUP) in B1 zoning district for a storage building at 1633 Yellow Briar Dr., Parcel L-651 by Todd Robinson and Darrell LaCrosse.

## Dear Board Members,

We have lived at 1626 Yellow Briar Drive, directly across from the lot in question, for 17 years. We had never intended to move into an Industrial Park, but sadly that is what it has become. Since moving in, Robinson Metal went from operating within a well-contained industrial area to encroaching on our residential neighborhood, to the community's detriment. First they purchased the building on the corner of Yellow Briar Dr, the former home of Motion Industries. After, they decided to pave over a formerly grassy area that served as a tidy dividing line between residential and industrial sites. Soon after, they engaged in construction on two different storage facilities bordering the woods line between our property and theirs. They have since thinned out the woods considerably, leading to a distinct lack of sound buffering between themselves and our neighborhood.

Since Robinson erected these storage buildings, Yellow Briar Dr. has become a de facto truck stop. Many days and nights extra-long semi trucks idle at high volume, disrupting the peace as we and our neighbors try to sleep with rumbling in our ears and diesel fumes thick in the air. Intermittent crashes and bangs, both in the day and the middle of the night, resound throughout the neighborhood. The street, widened at the behest of Robinson Metal to allow semis to park for days at a time, is often completely blocked by complicated trucking operations that involve elaborate maneuvers with severalpoint turns to accommodate the sheer size of the freight. This leaves the street impassable for any given length of time for anyone wishing to enter or exit the neighborhood. Traffic is routinely directed by pilot car drivers from out-of-state, who often are frustrated at having to direct maneuvers in the middle of a residential neighborhood. Driveways to Prevea Clinic are also often blocked during business hours by this traffic. While we are of course happy to see a Wisconsin business have such great success, we wonder if their business with freight and large semis would perhaps be better-suited to their large industrial site in the De Pere Industrial Park, which is wholly confined to an industrial area and is not encroaching on residential areas. Additionally, Robinson also owns a vacant lot between two of their buildings on Eisenhower Rd. that is situated with better highway access and is also further away from the neighborhood. We know that we are not the only residents in the area that feel frustration as Robinson continues to push their operations closer and closer to where our families live and try to relax.

There are many families in the neighborhood with active children, who, in the warm months, can often be found walking and biking down Yellow Briar Dr. – this seem even more dangerous as giant semis with enormous blind spots continue to figure out how to maneuver in such a small area. We are certainly alarmed at the increased potential for tragic accidents as industrial operations move closer to home.

Additionally, a high amount of refuse present on their current premises often blows into our and our neighbor's yards; we and many folks in our neighborhood are often found collecting the trash to clean

up our lawns and the site of the proposed development. While the main lawn along their office building on Eisenhower Rd. is generally tidy and manicured, the mess in and around the trucking areas and their current storage buildings is unsightly, and in winter often piles up into a snowbank near our property. While this is understandably a minor issue, it certainly makes the neighborhood feel like a refuse-lot for odds and ends of industrial business.

Our property value has tanked since Robinson has taken over the southern end of the block; the property assessors for Brown County, when confronted with the realities of our location, docked our property's value roughly 20%. This despite many upgrades and improvements we've made to the property since we moved in. The fair market value of our house has massively decreased, and should a storage facility be built directly across from us, we are in for an even larger decrease. We are certain we are not the only house on the block that has experienced this, particularly those of us closest to Robinson. More houses and families will experience this as Robinson moves closer in.

Given all this, we can only imagine that granting Robinson Metal a Conditional Use Permit for 1633 Yellow Briar Drive will considerably worsen the quality of life and property values for the entire neighborhood. More industrial activity, truck noise, diesel fumes, forklifts scurrying to and fro across the street, eyesores, and general disruption of a formerly peaceful and family-friendly neighborhood await. We urge the Board to reject the application for the proposed Conditional Use Permit.

Thank you for your consideration. Sincerely, Steve and Dona Maack

**Subject:** Opposition to Conditional Use Permit Parcle L651 Yellowbriar

I am writing in regards to the conditional use permit request for L-651 1633 Yellow Briar Rd by Todd Robinson & Darrell LaCrosse.

I live at 1594 Granada Ct and the reason for my opposition is due to the experiences on Yellow Briar over the past years.

I have been told the proposed CUP is for personal use of a building, however myself and numerous neighbors that I have spoken with do not believe that will be the case long term and I believe this will be actively used by Robinson Inc located across the street at corner of Mid Valley Dr and Yellow Briar. The land is owned by Robinson Real Estate group, the building design is near identical to the storage facilities across the street, and it is very apparent that they are out of space at the current facility and that this will be used as additional industrial storage. When this happens, the increasingly bad traffic situation on Yellow Briar will only worsen.

Currently, as I write this letter, there are 3 (possibly 4) semi trailers parked on Yellow Briar - including 1 unit that is parked, attached to a Robinson Truck, on the west side of the road, north of the entrance to their shipping yard. This has REPEATEDLY created very dangerous situations on Yellow Briar. The employees and contract transportation companies don't always realize they are on a public road - they pull out in front of us without looking, work in the middle of the road (folding tarps, prepping their loads, etc) and block the entire road numerous times a week (sometimes multiple times a day) - and to make it worse, the trucking company and Robinson employees show visible signs of being upset that we are trying to drive down a public road to get to and from our homes. Many of us have been yelled at or had obscene gestures directed at us simply for trying to get to our homes.

In addition - please take a minute and walk from the corner of Mid Valley Drive, down Yellow Briar past the 1633 Yellow Briar lot. You will find garbage all over the east side of Yellow Briar including packaging materials, gloves, food containers/bags, and numerous other materials all can be found in a short walk.

I personally have contacted Robinson, Town of Lawrence employees and Board Members. I know multiple neighbors have also contacted Robinson and town members. Nothing is being done and the situation is getting worse. Building a 100 yard storage facility across the street will further worsen this situation. If the 2 gentlemen applying for the conditional use permit decide a few weeks/months later to let Robinson business use a portion of the facility - this will further increase traffic, garbage, and unsafe conditions for residents and employees. I fully understand the CUP is being applied for personal use - but I do not believe that will be the case.

For the reasons above, I request the town to not approve the CUP, as well as request the town to please support the residents located in our subdivision for our safety and our use of a public road that is currently dangerously being utilized as a shipping yard.

Thank you.

Shane Piepkorn 1594 Granada Ct 920-309-3003.

**Subject:** L651. 1633 Yellow Briar rd.

This letter is in regards to the conditional use permit request for building a storage garage at 1633 Yellow Briar rd. I will be attending the meeting 4/22/24 but I wasn't sure if we would be allowed to speak so I am voicing my concern ahead of time for you to review.

My name is Mike Sevcik and my wife Sandra and I live at 1603 Granada CT. Our we own 1.05 acres and our property is straight north of the property in question. Our back yard lot line runs the length of the property where the building would be going up.

We have heard that the property is intended for personal storage of the owners of Robinson Metal but I don't believe that is what it will be used for. The plans I saw look exactly like the building across the street that Robinson uses now for a warehouse and clearly they are out of space. I believe as soon as it is built it will be used for storing parts and supplies for Robinson.

Yellow Briar has turned into a truck stop, every day I drive it to work and back and there are multiple Lowboy trailers along both sides of the road. I've had several incidences where I've almost had an accident there. They park large trucks on the north side of their driveway so you can't see vehicles coming out as well as forklifts driving out into the road. We are very concerned if there is another warehouse/garage across the road it will create even more traffic cutting across Yellow Briar. There are truck drivers standing in the road, working on trailers, folding tarps in the dark it is already a dangerous situation I don't want to see a building across the road to make it worse.

If you drive on Yellow Briar you will see a lot of garbage along the woods and road from all the trucks and I'm also concerned this will be making its way onto my property if there is a building behind my house. We're also concerned about any lights that may be on a visible 24hrs a day.

I am concerned that my property value and my neighbors property value will be greatly reduced by having the woods cut down, building this storage garage and the additional noise and garbage it will create.

For these reasons I've stated I ask that the Town of Lawrence NOT approve the CUP and support the residents of our subdivision.

Mike Sevcik

## TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Town Board of Supervisors

**REPORT FROM:** Scott Beining, Building Inspector/Zoning Administrator **AGENDA ITEM:** Staff Report-Planning/Zoning item Robinson Site Plan

c. Consideration of Site Plan Review for Storage Building at 1663 Yellow Briar Dr., Parcel L-651 by Lorrigan Construction

Parcel is zoned B-1, a CUP is being reviewed with public hearing 4/22 for personal storage building. See plans attached. Plans will keep as many trees as possible and setbacks allow for as much "buffer" as possible from surrounding parcels. Building will be non-sprinklered storage. One story with mezzanine area. Sewer and water and stormwater laterals will connect to the building/parking lot. Materials look to comply with ordinance. Staff recommends approval. PZ voted unanimously (4/10/24) to recommend approval.

## TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Town Board of Supervisors

**REPORT FROM:** Scott Beining, Building Inspector/Zoning Administrator **AGENDA ITEM:** Staff Report-Planning/Zoning items E, F, and G

e. Consideration to Set a Public Hearing date for Conditional Use Permit for Commercial Parking Garage (B-1 Zoning) at 1665 Yellow Briar, Parcel L-652 by Best Built Inc

Set public hearing for 5/28/24. This is an existing building which was previously occupied by Prevea tech support mainly with offices. A permit was issued to Best Built to demo the office partition walls to allow for other uses while they marketed the building. The proposed new tenant will be a limousine service in the front of the building. The back part of the building is separated with a fire wall and is currently home to a church. A CUP is required for a commercial parking garage or vehicle sales/service/lease. This use roughly fits in this category, but would be allowed with CUP and PZ/TB approval since it is a business/retail type entity. It seems this would be pretty low impact for the neighborhood. Staff recommends approval.

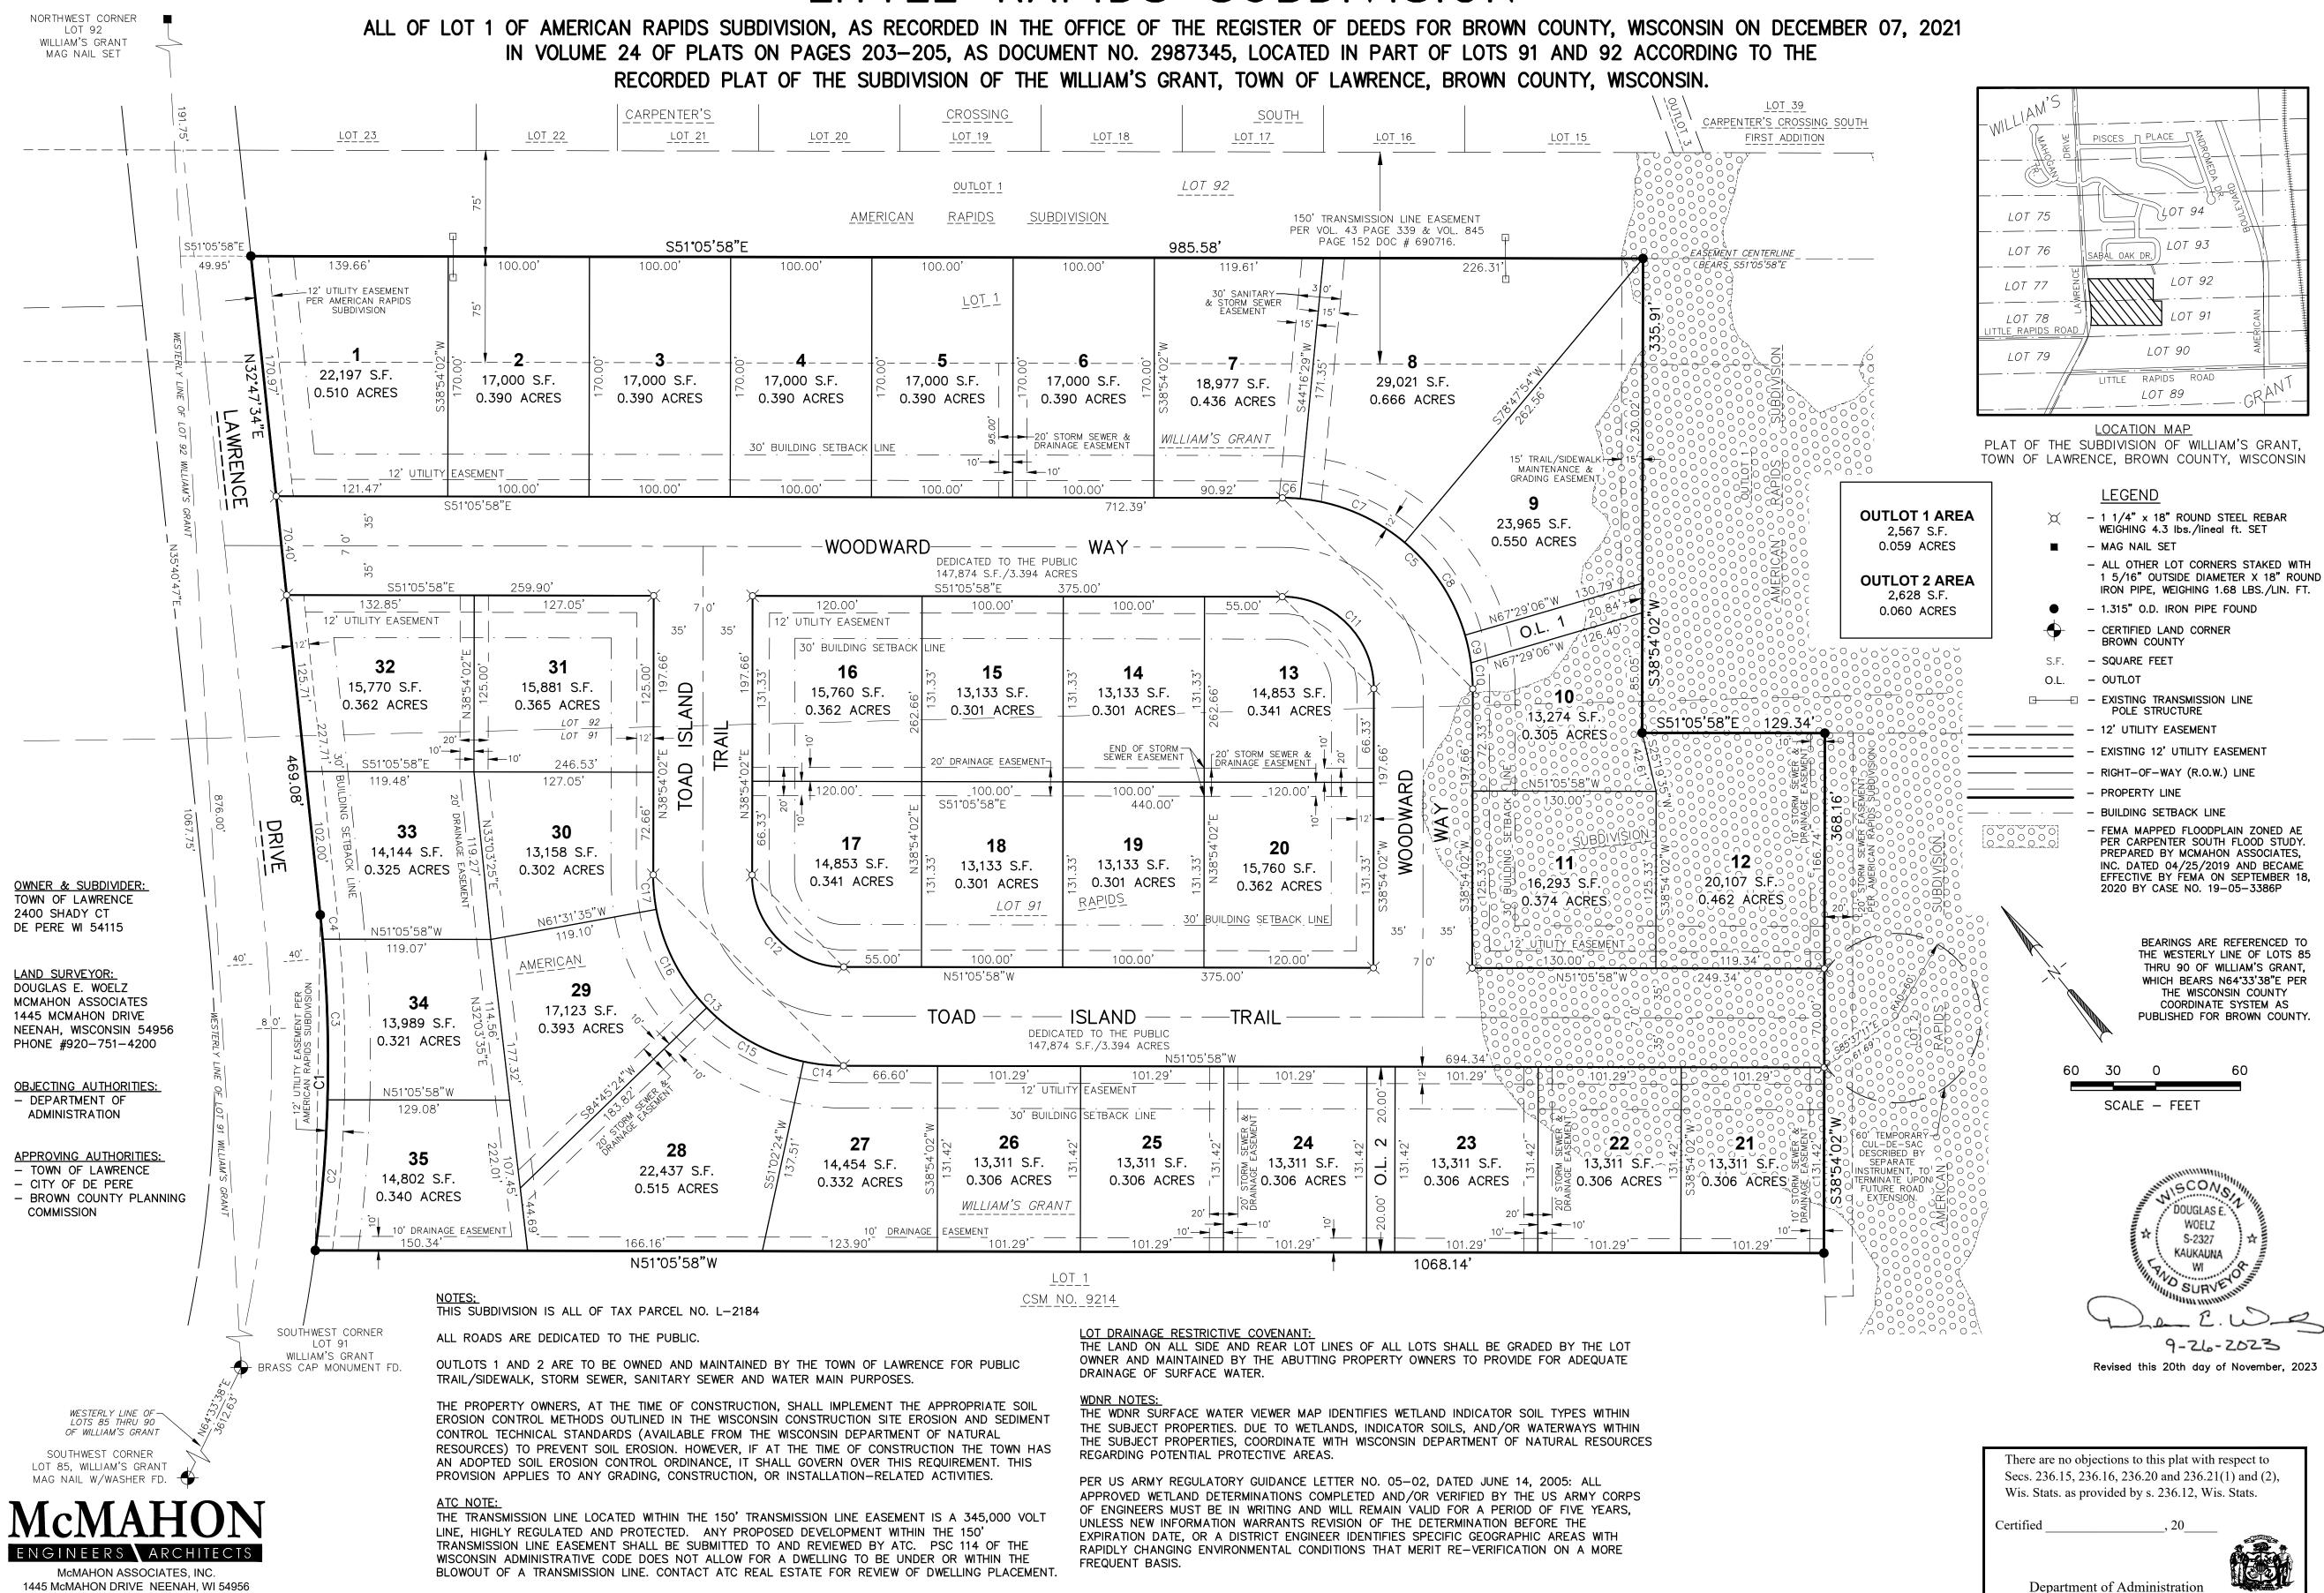

f. Consideration to Set a Public Hearing date for Zoning Amendment to re-zone from Agricultural Zone (A-1) to Residential Zone (R-2) in Little Rapids Subdivision for Lots 1-9 by Town of Lawrence

**Set public hearing for 5/13/24**. This rezoning would be compliant with the planned scope of the final plat. Lot 9 may be the site of a neighborhood park. This should be noted in a motion to approve. 2 sets of laterals would be installed at each lot. Staff recommends approval.

g. Consideration to Set a Public Hearing date for Zoning Amendment to re-zone from Agricultural Zone (A-1) to Residential Zone (R-1) in Little Rapids Subdivision for Lots 10-35 by Town of Lawrence

**Set public hearing for 5/13/24.** This rezoning would also be compliant with the planned scope of the final plat. Lots 10-35 would be SF and comply with requirements of R-1 lots (100' wide and 12,000 sf min.). Staff recommends approval.

## TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Dr. Lanny Tibaldo, Town Board Chairman, Town Board

**REPORT FROM:** Patrick Wetzel, Town Administrator

AGENDA ITEM: Consideration of Resolution 2024-007 – Approve Sale of Land for R-2 Duplex

Development on Shady Court - Parcels L-2268, L-2269 & L-2270 - T. VanDeHei

#### **FISCAL IMPACT:**

1. Is there A Fiscal Impact?

Yes

2. Is it Currently Budgeted? Yes, land sales revenue and future development

**Item History:** As part of the purchase of the former Tickler property on Little Rapids Road, the Town has sold the existing house to a new owner, split off the former storage building for Public Works vehicle/equipment storage and created 4 new residential lots along Little Rapids Rd and Shady Court. These new lots all have Town water/sewer laterals stubbed to the lot line with the anticipation that any new development would hook to water/sewer. Three lots had been zoned R-2 – One or Two Family Residential (intended for duplexes to be constructed) and advertised for quite some time for \$72,900 per lot.

Tom VanDeHei has submitted an offer to purchase the three duplex lots for the advertised price.

**Recommended Action:** Recommend approval of Resolution 2024-007 - Approve Sale of Land for R-2 Duplex Development on Shady Court – Parcels L-2268, L-2269 & L-2270 – T. VanDeHei

# TOWN OF LAWRENCE RESOLUTION #2024-007

AUTHORIZING AND APPROVING THE SALE OF THREE LOTS WITH R-2 ZONING (DUPLEX) ON SHADY COURT, PARCELS L-2268, L-2269 AND L-2270 TO THOMAS VANDEHEI

**WHEREAS**, the Town currently owns three vacant R-2 residential lots on Shady Court with water/sewer laterals adjacent, specifically Tax Parcels L-2268, L-2269 and L-2270, (the "Property"); and

WHEREAS, Thomas VanDeHei (hereafter, the "Buyer") desires to purchase the properties, and

WHEREAS, buyer desires the property for the purposes of developing three residential duplex properties, and:

**WHEREAS,** Town administration, with review and input from the Town Board of Supervisors, has negotiated terms of sale of the Property that are set forth in a certain Vacant Land Offer to Purchase, a copy of which is attached hereto and marked Exhibit "A" (together, the "Offer"); and

**WHEREAS,** the sale of the Property to Buyer is conditioned upon the acceptance and attainment of all necessary Town approvals prior to closing; and

WHEREAS, the Offer has been presented to the Town for review and consideration; and

**WHEREAS,** we have reviewed the Offer in its entirety;

**NOW THEREFORE BE IT RESOLVED** by the Town Board of the Town of Lawrence, that it is in the best interests of the Town to accept the Offer according to its terms.

**FURTHER RESOLVED**, that the Town Chairman and Town Administrator, to wit: Lanny Tibaldo and Patrick Wetzel, respectively, are jointly authorized and directed to forthwith execute and deliver the Offer to the Buyer or its representative.

**FURTHER RESOLVED**, that the Town Chairman and Town Administrator are jointly authorized to determine whether all conditions of the sale are satisfied and upon that determination, to execute and deliver to the Buyer, the title company handling the closing of the purchase of the Property and any other person or entity to whom delivery of closing documents may be appropriate, all documents pertaining to the conveyance of the Property on terms acceptable to the Town Chairman and Town Administrator in their discretion, and all documents required to accomplish the purposes of the sale of the Property, the signatures of the Town Chairman and Town Administrator on any such documents to be conclusive evidence that they deemed the same to be in the best interests of the Town.

**FURTHER RESOLVED**, that any actions of either the Town Chairman or the Town Administrator taken jointly or severally by them, that would have been authorized either jointly or severally by the foregoing resolutions, but for the fact the same were taken before the execution of this Resolution, be and hereby are ratified and approved in all respects.

Zornoco LLC - L-2191 - American Boulevard

#### **FISCAL IMPACT**:

1. Is there A Fiscal Impact?

Yes

2. Is it Currently Budgeted? Yes, land sales revenue and future development

**Item History:** The Town has been in discussion for over a year related to a potential development of a new facility, est. 15,000 sq ft, on approximately 4.5 acres on American Boulevard, immediately north of the existing Core & Main facility.

**Recommended Action:** Recommend approval of Resolution 2024-008 Authorizing and Approving the Sale of Land to Zornoco LLC and Development Agreement – Parcel L-2191 on American Boulevard.

# TOWN OF LAWRENCE RESOLUTION #2024-008

## AUTHORIZING AND APPROVING THE SALE OF LAND TO ZORNOCO LLC; PARCEL L-2191, APPROXIMATELY 4.50 ACRES, AND DEVELOPMENT AGREEMENT

WHEREAS, the Town currently owns land on American Boulevard, Tax Parcel L-2191, (the "Property"); and

WHEREAS, Zornoco LLC. (hereafter, the "Buyer") desires to purchase the property, and

**WHEREAS**, buyer desires the property for the purpose of constructing a new commercial building as stipulated in proposed and attached Development Agreement, and:

**WHEREAS,** Town administration, with review and input from the Town Board of Supervisors, has negotiated terms of sale of the Property that are set forth in a certain Development Agreement thereto, a copy of which is attached hereto and marked Exhibit "A" (together, the "Agreement"); and

**WHEREAS,** the sale of the Property to Buyer is conditioned upon the acceptance and attainment of all necessary Town approvals prior to closing; and

WHEREAS, the Property is located in Town of Lawrence Tax Incremental District #1; and

WHEREAS, the Offer has been presented to the Town for review and consideration; and

**WHEREAS,** a project or development agreement between the buyer and the Town is required prior to any infrastructure construction or development activities progressing on this project, and

WHEREAS, we have reviewed the proposed purchase terms, with proposed Development Agreement in its entirety;

**NOW THEREFORE BE IT RESOLVED** by the Town Board of the Town of Lawrence, that it is in the best interests of the Town to accept the Offer to Purchase and Development Agreement according to its terms.

**FURTHER RESOLVED**, that the Town Chairman and Town Administrator, to wit: Lanny Tibaldo and Patrick Wetzel, respectively, are jointly authorized and directed to forthwith execute and deliver the purchase documents to the Buyer or its representative and authorized to execute the Zornoco LLC Development Agreement.

**FURTHER RESOLVED**, that the Town Chairman and Town Administrator are jointly authorized to determine whether all conditions of the sale are satisfied and upon that determination, to execute and deliver to the Buyer, the title company handling the closing of the purchase of the Property and any other person or entity to whom delivery of closing documents may be appropriate, all documents pertaining to the conveyance of the Property on terms acceptable to the Town Chairman and Town Administrator in their discretion, and all documents required to accomplish the purposes of the sale of the Property, the signatures of the Town Chairman and Town Administrator on any such documents to be conclusive evidence that they deemed the same to be in the best interests of the Town.

**FURTHER RESOLVED**, that any actions of either the Town Chairman or the Town Administrator taken jointly or severally by them, that would have been authorized either jointly or severally by the foregoing resolutions, but for the fact the same were taken before the execution of this Resolution, be and hereby are ratified and approved in all respects.

#### TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Dr. Lanny Tibaldo, Town Board Chairman, Town Board

**REPORT FROM:** Patrick Wetzel, Town Administrator

AGENDA ITEM: Consideration of 2023 Water/Sewer Project Change Order #7 - Superior - \$4,685.68

#### **FISCAL IMPACT:**

1. Is there A Fiscal Impact?

Yes

2. Is it Currently Budgeted? Yes-Within bid project contingency

**Item History:** Changer Order #7 for the 2023 Water/Sewer Project has been submitted for review and consideration by Superior, reviewed and recommended for approval by McMahon.

Part of this project is to place fill in the LOMR-F (flood fringe filling) areas on Town owned property off of Little Rapids Road, east of Lawrence Drive.

As part of this project, it was noted that additional top soil needed to be moved in order for fill to be placed as part of the LOMR-F process. This process will remove flood fringe areas from the FEMA floodway mapping in the area, allowing more development possibilities in those filled areas.

The additional effort results in a \$4,685.68 increase in costs.

**Recommended Action:** Recommend approval of Change Order #7 for 2023 Water/Sewer Project, to Superior Sewer and Water in the amount of \$4,685.68 – additional cost to contract for additional stripping of topsoil at LOMR-F fill site.

#### TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Dr. Lanny Tibaldo, Town Board Chairman, Town Board

**REPORT FROM:** Cindy Kocken, Clerk-Treasurer

AGENDA ITEM: Update and Consideration on Schedule to Solicit Bids for New Fire Engine Purchase

#### **FISCAL IMPACT:**

1. Is there A Fiscal Impact? Yes, in future upon receiving quotes

2. Is it Currently Budgeted? Not yet due to delivery times out to 2-3 years

# **Item History**

The Town intends to place an order for a new fire engine this year and Town/Fire Dept staff has put together a set of specifications for this purpose.

The intent would be to advertise for bids/quotes for roughly 30-45 days. Upon receiving quotes, they would be reviewed by the Town Board prior to any purchasing decision.

At this current time, a new fire engine may not arrive for between 18 months and 3-4 years out. We will plan to advertise for quotes in the coming 1-2 weeks, with an intent to have the Town Board review in May-June in order to consider placing an order.

## **Recommended Action By Town Board**

Will discuss timing and specs at Monday's meeting prior to advertising for quotes/bids.

Meeting Date: April 22, 2024 Agenda Item#: 19

## TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

**REPORT TO:** Dr. Lanny Tibaldo, Town Board Chairman, Town Board

**REPORT FROM:** Cindy Kocken, Clerk-Treasurer

AGENDA ITEM: Consider moving the May 27th and August 8th Town Board Meetings to a different date

#### **FISCAL IMPACT:**

Is there A Fiscal Impact?
 Is it Currently Budgeted?

No

# **Item History**

This year Memorial Day lands on the 2<sup>nd</sup> Town Board meeting in May.

The Partisan Primary Election is on Tuesday, August 13<sup>th</sup>. The regularly scheduled Town Board meeting is on Monday, August 12<sup>th</sup>. Since the meeting room will be set up for the election, historically the Town Board would move this meeting to a different date.

#### **Recommended Action By Town Board**

Staff recommend rescheduling the May and August meetings this year.

Meeting Date: April 22, 2024 Agenda Item#: 20
