TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Kurt Minten, Director of DPW
AGENDA ITEM: Consider Bid Award for LE2 meter station building improvements

FISCAL IMPACT:

- | | |
|------------------------------|---|
| 1. Is there A Fiscal Impact? | <u>Yes</u> |
| 2. Is it Currently Budgeted? | No, will be financed/budgeted for Water Utility |

Item History: Back in 2007 the town along with 5 other municipalities started receiving water from CBCWA. The town’s only operating meter station is LE1 which is located at 1220 Mid Valley Road in the north end of the town. The town’s second meter station, known as LE2, is located at 1451 Biotech Way off American Drive in the City of De Pere.

With the town’s growth, along with the need to build redundancy into its water system, we have reached the time to finish building out of the second meter station. The town entered into an agreement with McMahon Engineering for project management which includes the design and bidding out the project.

The town received bids for the work with, Rohde Brothers, Ince being the presumed low bidder, for the cost of \$231,700.00. Included in this bid are the chlorine room components which are the responsibility of CBCWA. The chlorine room cost of \$101,287.00 would be reimbursed to the town from CBCWA. The town’s final cost for the project is \$130,413.00.

Recommended Action: We recommend awarding the contract to Rohde Brothers, Inc for \$231,700.00 for the build out of components and controls of LE2 meter station.

TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Kurt Minten, Director of DPW
AGENDA ITEM: **MOU with CBCWA regarding LE2 improvements**

FISCAL IMPACT:

- 1. Is there A Fiscal Impact? Yes
- 2. Is it Currently Budgeted? Yes, via water rates for future cost share

Item History: With the town adding the components and controls to the LE2 meter station, the project also includes the chlorine room components and controls that are the responsibility of CBCWA. This memo of understanding(MOU) between the town and CBCWA addresses the cost of the chlorine room components with the ability of CBCWA to reimburse the town for \$101,287.00.

Recommended Action: We recommend approving the MOU for the reimbursement of \$101,287.00 to the town for the chlorine room build out at LE2.

**Memorandum of Understanding
For
CBCWA Costs in the Buildout of the LE-2 Connection Station**

The Central Brown County Water Authority (“CBCWA”) and the Town of Lawrence (“Town”) enter into this Memorandum of Understanding (“MOU”) to facilitate CBCWA’s financial contribution toward the Town’s project to add the equipment necessary to begin utilizing the LE-2 connection station at 1451 Biotech Way, De Pere (“LE-2 Connection Station”).

Background

- A. CBCWA is a joint local water authority created under Wis. Stat. § 66.0823. The Town is one of CBCWA’s current members along with the City of De Pere, the Village of Allouez, the Village of Bellevue, the Village of Denmark, the Village of Howard, and Ledgeview Sanitary District No. 2.
- B. Each CBCWA member community purchases water from CBCWA, and each CBCWA member community is responsible for distributing the purchased water to its own customers. Each CBCWA member community owns and operates its own water distribution system for this purpose. Water is transferred from the CBCWA water system to the member water distribution system at defined Points of Delivery.
- C. Construction of the CBCWA water supply facilities included construction of several buildings to house the equipment necessary for the Points of Delivery, and the LE-2 Connection Station is one such facility. However, the LE-2 Connection Station building was constructed without all the related equipment, as the Town did not anticipate using the station until a future time when it became necessary to serve new development and meet increased water demand. The Town has deemed that the use of the LE-2 Connection Station is now warranted, and the Town is now planning to install the required equipment in the buildout project addressed by this MOU (the “Project”).
- D. While the CBCWA originally constructed and owned several of the member connection stations, ownership of these facilities was transferred to the members around 2012 to 2013. These transfers included the creation of easements for the shared use of the buildings and sites between CBCWA and the applicable members. The City of De Pere owns the building and site at the LE-2 Connection Station, and the City of De Pere granted the Town a permanent and exclusive access easement at the LE-2 Connection Station (Brown County recorded document No. 2621761). That easement broadly allows the Town to install, repair, replace, supplement, operate, maintain, and safeguard its water supply facilities at the LE-2 Connection Station. As such, the Town will own and be responsible for the equipment installed by the Project, and CBCWA will not own any of the equipment installed by the Project.
- E. It has been the ongoing practice of CBCWA to pay for certain costs at the member connection stations related to the chlorination process and to the chlorination equipment

owned by the members. Whether during the original construction of the CBCWA water system (including the connection stations), or in future projects to supplement the member chlorination systems, CBCWA paid for the costs of the other members for the kinds of equipment included in the Town’s Project. In order to be consistent with these practices for all members, CBCWA will participate in certain Project costs as specified in this MOU.

F. CBCWA anticipated this Project and has budgeted for the related costs as part of its member-approved 2024 Annual Budget, Capital Improvement Program, and Member Cost Allocation.

Agreement

A. The Town is responsible to contract for the design, construction, and installation of the Project and for the payment of all Project costs. The Town’s approved bid includes the following CBCWA Chlorine Cost Items at the specified costs:

CBCWA Chlorine Cost Items	
Materials	
Hawkins Equipment Package	\$53,473
Other Materials	\$4,059
Materials Subtotal	\$57,532
Labor	
Field Labor	\$9,391
Project Management	\$7,381
Labor Subtotal	\$16,772
Subcontractors	
Controls	\$6,215
Electrical	\$20,768
Subcontractors Total	\$26,983
TOTAL	\$101,287

B. CBCWA requests that the Town provide CBCWA with the opportunity to inspect progress on the work being done to install the specified CBCWA Chlorine Cost Items.

C. Upon completion of the Project, CBCWA agrees to reimburse the Town for the Town’s actual costs for the specified CBCWA Chlorine Cost Items in amounts not to exceed those listed in paragraph A, above.

D. The Authority’s payment to the Town for the CBCWA Chlorine Cost Items shall be promptly made after the Town provides documentation satisfactory to CBCWA showing that the Town has paid the costs for the specified items.

TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Patrick Wetzal, Town Administrator
AGENDA ITEM: Res. 2024-019 – Authorizing Sale of Little Rapids Subdivision Lots

FISCAL IMPACT:

1. Is there A Fiscal Impact? Yes
2. Is it Currently Budgeted? Yes

Item History

The Town Board has reviewed and approved a process to set pricing for the Little Rapids Subdivision (attached) and outline the process for lot sales.

As part of the allocation of lots and proceeding towards closing on lot sales, a resolution is required to memorialize the Town Board’s intent to sell these lots that have been owned and improved by the Town.

As there are 34 lots to sell, and a number of buyers, there’s the potential that we may need many, many resolutions to approve each land sale.

In consultation with the Town Attorney, one resolution has been created that will allow for authorization to be granted by the Town Board in one document in order to facilitate the sale of these Little Rapids Subdivision lots, authorizing the Town Chair and Town Administrator to carry out towards closing on these lot sales.

The approved lot price list is attached, as is the master offer to purchase document drafted by the Town Attorney. Bay Title is ready to carry out these lot sales to closing as soon as we’re ready to do so.

Recommended Action:

Recommend approval of Resolution 2024-019 – Authorizing the Sale of Little Rapids Subdivision Lots.

**TOWN OF LAWRENCE
RESOLUTION #2024-019**

AUTHORIZING AND APPROVING THE SALE OF LOTS IN THE LITTLE RAPIDS SUBDIVISION

Whereas: the Town of Lawrence owns certain subdivided real estate known as the Little Rapids Subdivision (the Subdivision); and

Whereas: the Town of Lawrence desires to sell the lots in the Subdivision (the Lots) in a uniform and efficient manner; and

Whereas: to expedite and streamline the conveyance of these properties, the Town Board wishes to authorize certain of its staff to process the sale of the lots without the need for separate approval of each sale by the Town Board, so long as the sales are carried out under the terms of this resolution

NOW THEREFORE BE IT RESOLVED:

That the Town Board of the Town of Lawrence hereby authorizes and approves the sale of Lots 1-8 and lots 10 through 35 of the Little Rapids Subdivision provided that such sales are at a price of not less than \$78,000.00 per Lot, less the cost of title insurance, and in accordance with the attached and incorporated form offer to purchase.

BE IT FURTHER RESOLVED:

That the Town Chairperson and Town Administrator are authorized and directed to take all actions and execute all such documents as are necessary to convey each of the Lots without further authorization by the Town Board so long as the sale is as proscribed in this resolution

FURTHER RESOLVED:

that any actions of either the Town Chairperson or the Town Administrator taken jointly or severally by them, that would have been authorized either jointly or severally by the foregoing resolutions, but for the fact the same were taken before the execution of this Resolution, be and hereby are ratified and approved in all respects.

Approved and adopted by the members of the Town Board of the Town of Lawrence, Brown County, State of Wisconsin this 28th day of October, 2024

182 **GOVERNMENT PROGRAMS:** Seller shall deliver to Buyer, within _____ days ("15" if left blank) after acceptance
183 of this Offer, a list of all federal, state, county, and local conservation, farmland, environmental, or other land use programs,
184 agreements, restrictions, or conservation easements, which apply to any part of the Property (e.g., farmland preservation
185 agreements, farmland preservation or exclusive agricultural zoning, use value assessments, Forest Crop, Managed Forest,
186 Conservation Reserve Program, wetland mitigation, shoreland zoning mitigation plan or comparable programs), along with
187 disclosure of any penalties, fees, withdrawal charges, or payback obligations pending, or currently deferred, if any. This
188 contingency will be deemed satisfied unless Buyer delivers to Seller, within 7 days after the deadline for delivery, a notice
189 terminating this Offer based upon the use restrictions, program requirements, and/or amount of any penalty, fee, charge, or
190 payback obligation.

191 **CAUTION: If Buyer does not terminate this Offer, Buyer is hereby agreeing that Buyer will continue in such**
192 **programs, as may apply, and Buyer agrees to reimburse Seller should Buyer fail to continue any such program**
193 **such that Seller incurs any costs, penalties, damages, or fees that are imposed because the program is not**
194 **continued after sale. The Parties agree this provision survives closing.**

195 **MANAGED FOREST LAND:** If all, or part, of the Property is managed forest land under the Managed Forest Law (MFL)
196 program, this designation will continue after closing. Buyer is advised as follows: The MFL is a landowner incentive
197 program that encourages sustainable forestry on private woodlands by reducing and deferring property taxes. Orders
198 designating lands as managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the
199 MFL program changes, the new owner must sign and file a report of the change of ownership on a form provided by the
200 Department of Natural Resources and pay a fee. By filing this form, the new owner agrees to the associated MFL
201 management plan and the MFL program rules. The DNR Division of Forestry monitors forest management plan
202 compliance. Changes a landowner makes to property that is subject to an order designating it as managed forest land,
203 or to its use, may jeopardize benefits under the program or may cause the property to be withdrawn from the program
204 and may result in the assessment of penalties. For more information call the local DNR forester or visit
205 <https://dnr.wisconsin.gov/topic/forestry>.

206 **USE VALUE ASSESSMENTS:** The use value assessment system values agricultural land based on the income that
207 would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural
208 land to a non-agricultural use (e.g., residential or commercial development), that person may owe a conversion charge.
209 To obtain more information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's
210 Equalization Bureau or visit <http://www.revenue.wi.gov/>.

211 **FARMLAND PRESERVATION:** The early termination of a farmland preservation agreement or removal of land from such
212 an agreement can trigger payment of a conversion fee equal to 3 times the per acre value of the land. Contact the
213 Wisconsin Department of Agriculture, Trade and Consumer Protection Division of Agricultural Resource Management or
214 visit <http://www.datcp.state.wi.us/> for more information.

215 **CONSERVATION RESERVE PROGRAM (CRP):** The CRP encourages farmers, through contracts with the U.S.
216 Department of Agriculture, to stop growing crops on highly erodible or environmentally sensitive land and instead to plant
217 a protective cover of grass or trees. CRP contracts run for 10 to 15 years, and owners receive an annual rent as well as
218 certain incentive payments and cost share assistance for establishing long-term, resource-conserving ground cover.
219 Removing lands from the CRP in breach of a contract can be quite costly. For more information call the state Farm Service
220 Agency office or visit <http://www.fsa.usda.gov/>.

221 **SHORELAND ZONING ORDINANCES:** All counties must adopt uniform shoreland zoning ordinances in compliance with
222 Wis. Admin. Code Chapter NR 115. County shoreland zoning ordinances apply to all unincorporated land within 1,000
223 feet of a navigable lake, pond or flowage or within 300 feet of a navigable river or stream and establish minimum standards
224 for building setbacks and height limits, cutting trees and shrubs, lot sizes, water runoff, impervious surface standards (that
225 may be exceeded if a mitigation plan is adopted and recorded) and repairs to nonconforming structures. Buyers must
226 conform to any existing mitigation plans. For more information call the county zoning office or visit <https://dnr.wi.gov/>.
227 Buyer is advised to check with the applicable city, town or village for additional shoreland zoning or shoreland-wetland
228 zoning restrictions, if any.

229 **FENCES:** Wis. Stat. § 90.03 requires the owners of adjoining properties to keep and maintain legal fences in equal shares
230 where one or both of the properties is used and occupied for farming or grazing purposes.

231 **CAUTION: Consider an agreement addressing responsibility for fences if Property or adjoining land is used and**
232 **occupied for farming or grazing purposes.**

233 **PROPERTY DEVELOPMENT WARNING:** If Buyer contemplates developing Property for a use other than the current use,
234 there are a variety of issues that should be addressed to ensure the development or new use is feasible. Buyer is solely
235 responsible to verify the current zoning allows for the proposed use of the Property at lines 251-255. Municipal and zoning
236 ordinances, recorded building and use restrictions, covenants and easements may prohibit certain improvements or uses
237 and therefore should be reviewed. Building permits, zoning or zoning variances, Architectural Control Committee approvals,
238 estimates for utility hook-up expenses, special assessments, changes for installation of roads or utilities, environmental
239 audits, subsoil tests, or other development related fees may need to be obtained or verified in order to determine the
240 feasibility of development of, or a particular use for, a property. Optional contingencies that allow Buyer to investigate certain
241 of these issues can be found at lines 244-304 and Buyer may add contingencies as needed in addenda (see line 682).

242 Buyer should review any plans for development or use changes to determine what issues should be addressed in these
243 contingencies.

244 ~~PROPOSED USE CONTINGENCIES: This Offer is contingent upon Buyer obtaining, at Buyer's expense, the reports or~~
245 ~~documentation required by any optional provisions checked on lines 256-284 below. The optional provisions checked on~~

247 ~~written notice to Seller specifying those optional provisions checked below that cannot be satisfied and (2) written evidence~~
248 ~~substantiating why each specific provision referred to in Buyer's notice cannot be satisfied. Upon delivery of Buyer's notice,~~

257 251-255.

258 **SUBSOILS:** Written evidence from a qualified soils expert that the Property is free of any subsoil condition that
259 would make the proposed use described at lines 251-255 impossible or significantly increase the costs of such
260 development.

261 **PRIVATE ONSITE WASTEWATER TREATMENT SYSTEM (POWTS) SUITABILITY:** Written evidence from a
262 certified soils tester that: (a) the soils at the Property locations selected by Buyer, and (b) all other conditions that must
263 be approved, meet the legal requirements in effect on the date of this Offer to obtain a permit for a POWTS for use of
264 the Property as stated on lines 251-255. The POWTS (septic system) allowed by the written evidence must be one of

300 to Seller a copy of the map and a written notice which identifies: (1) the significant encroachment; (2) information materially
301 inconsistent with prior representations; or (3) failure to meet requirements stated within this contingency. Upon delivery of
302 Buyer's notice, this Offer shall be null and void. Once the deadline for delivery has passed, if Seller was responsible to

303 provide the map and failed to timely deliver the map to Buyer, Buyer may terminate this Offer if Buyer delivers a written
304 notice of termination to Seller prior to Buyer's Actual Receipt of said map from Seller.

305 **INSPECTIONS AND TESTING** Buyer may only conduct inspections or tests if specific contingencies are included as a
306 part of this Offer. An "inspection" is defined as an observation of the Property, which does not include an appraisal or testing
307 of the Property, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel
308 source, which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or
309 building materials from the Property for laboratory or other analysis of these materials. Seller agrees to allow Buyer's
310 inspectors, testers and appraisers reasonable access to the Property upon advance notice, if necessary, to satisfy the
311 contingencies in this Offer. Buyer or licensees or both may be present at all inspections and testing. Except as otherwise
312 provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the Property.

313 **NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of**
314 **the test, (e.g., to determine if environmental contamination is present), any limitations on Buyer's testing and any**
315 **other material terms of the contingency.**

316 Buyer agrees to promptly restore the Property to its original condition after Buyer's inspections and testing are completed
317 unless otherwise agreed to with Seller. Buyer agrees to promptly provide copies of all inspection and testing reports to
318 Seller. Seller acknowledges that certain inspections or tests may detect environmental pollution that may be required to be
319 reported to the Wisconsin Department of Natural Resources.

327 (3) Buyer may have follow-up inspections recommended in a written report resulting from an authorized inspection, provided
328 they occur prior to the Deadline specified at line 333. Inspection(s) shall be performed by a qualified independent
329 inspector or independent qualified third party.

330 Buyer shall order the inspection(s) and be responsible for all costs of inspection(s).

331 **CAUTION: Buyer should provide sufficient time for the Property inspection and/or any specialized inspection(s),**
332 **as well as any follow-up inspection(s).**

333 This contingency shall be deemed satisfied unless Buyer, within _____ days ("15" if left blank) after acceptance, delivers
334 to Seller a copy of the written inspection report(s) dated after the date on line 1 of this Offer and a written notice listing the
335 Defect(s) identified in those report(s) to which Buyer objects (Notice of Defects).

338 of which Buyer had actual knowledge or written notice before signing this Offer.

339 **NOTE: "Defect" as defined on lines 553-555 means a condition that would have a significant adverse effect on the**

 378 or another loan acceptable to Buyer, Buyer agrees to deliver to Seller a copy of a written loan commitment.

383 Delivery of a loan commitment by Buyer's lender or delivery accompanied by a notice of unacceptability shall not satisfy
 384 this contingency.

385 **CAUTION: The delivered loan commitment may contain conditions Buyer must yet satisfy to obligate the lender to
 386 provide the loan. Buyer understands delivery of a loan commitment removes the Financing Commitment
 387 Contingency from the Offer and shifts the risk to Buyer if the loan is not funded.**

388 ■ **SELLER TERMINATION RIGHTS:** If Buyer does not deliver a loan commitment on or before the Deadline on line 357.
 389 Seller may terminate this Offer if Seller delivers a written notice of termination to Buyer prior to Seller's Actual Receipt of

 401 cooperate with and authorizes Seller to obtain any credit information reasonably appropriate to determine Buyer's credit
 402 worthiness for Seller financing.

403 **IF THIS OFFER IS NOT CONTINGENT ON FINANCING COMMITMENT** Within _____ days ("7" if left blank) after
 404 acceptance, Buyer shall deliver to Seller either:

409 If such written verification or documentation is not delivered, Seller has the right to terminate this Offer by delivering written
 410 notice to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written verification. Buyer may or may not obtain
 411 mortgage financing but does not need the protection of a financing commitment contingency. Seller agrees to allow Buyer's
 412 appraiser access to the Property for purposes of an appraisal. Buyer understands and agrees that this Offer is not subject
 413 to the appraisal meeting any particular value, unless this Offer is subject to an appraisal contingency, nor does the right of
 414 access for an appraisal constitute a financing commitment contingency.

 416 at Buyer's expense by a Wisconsin licensed or certified independent appraiser who issues an appraisal report dated
 417 subsequent to the date stated on line 1 of this Offer, indicating an appraised value for the Property equal to or greater than

 424 price to the value shown on the appraisal report within _____ days ("5" if left blank) after Buyer's delivery of the appraisal

425 report and the notice objecting to the appraised value. Seller and Buyer agree to promptly execute an amendment initiated
426 by either party after delivery of Seller's notice, solely to reflect the adjusted purchase price.

427 This Offer shall be null and void if Buyer makes timely delivery of the notice objecting to appraised value and the written
428 appraisal report and:

441 bridge loan shall not extend the closing date for this Offer.

456 delivery of written notice to Buyer that this Offer is primary. Unless otherwise provided, Seller is not obligated to give Buyer
457 notice prior to any Deadline, nor is any particular secondary buyer given the right to be made primary ahead of other

483 Buyer and Seller agree to re-prorate the real estate taxes, through the day prior to closing based upon the taxes on
484 the actual tax bill for the year of closing, with Buyer and Seller each owing his or her pro-rata share. Buyer shall, within 5

485 days of receipt, forward a copy of the bill to the forwarding address Seller agrees to provide at closing. The Parties shall
 486 re-prorate within 30 days of Buyer's receipt of the actual tax bill. Buyer and Seller agree this is a post-closing obligation
 487 and is the responsibility of the Parties to complete, not the responsibility of the real estate Firms in this transaction.

488 **TITLE EVIDENCE**

489 ■ **CONVEYANCE OF TITLE:** Upon payment of the purchase price, Seller shall convey the Property by warranty deed
 490 (~~trustee's deed if Seller is a trust, personal representative's deed if Seller is an estate or other conveyance as~~
 491 ~~provided herein~~), free and clear of all liens and encumbrances, except: municipal and zoning ordinances and agreements
 492 entered under them, recorded easements for the distribution of utility and municipal services, recorded building and use
 493 restrictions and covenants, present uses of the Property in violation of the foregoing disclosed in Seller's Vacant Land
 494 Disclosure Report and in this Offer, general taxes levied in the year of closing and no others

495 _____
 496 _____ (insert other allowable exceptions from title, if
 497 any) that constitutes merchantable title for purposes of this transaction. Seller, at Seller's cost, shall complete and execute
 498 the documents necessary to record the conveyance and pay the Wisconsin Real Estate Transfer Fee.

499 **WARNING: Municipal and zoning ordinances, recorded building and use restrictions, covenants and easements**
 500 **may prohibit certain improvements or uses and therefore should be reviewed, particularly if Buyer contemplates**
 501 **making improvements to Property or a use other than the current use.**

502 ■ **TITLE EVIDENCE:** Seller shall give evidence of title in the form of an owner's policy of title insurance in the amount of
 503 the purchase price on a current ALTA form issued by an insurer licensed to write title insurance in Wisconsin. Seller shall
 504 pay all costs of providing title evidence to Buyer. Buyer shall pay the costs of providing the title evidence required by Buyer's
 505 lender and recording the deed or other conveyance.

506 ■ **GAP ENDORSEMENT:** Seller shall provide a "gap" endorsement or equivalent gap coverage at (Seller's)(Buyer's)
 507 ~~STRIKE ONE~~ ("Seller's" if neither stricken) cost to provide coverage for any liens or encumbrances first filed or recorded
 508 after the commitment date of the title insurance commitment and before the deed is recorded, subject to the title insurance
 509 policy conditions, exclusions and exceptions, provided the title company will issue the coverage. If a gap endorsement or
 510 equivalent gap coverage is not available, Buyer may give written notice that title is not acceptable for closing (see lines 516-
 511 523).

512 ■ **DELIVERY OF MERCHANTABLE TITLE:** The required title insurance commitment shall be delivered to Buyer's attorney
 513 or Buyer not more than 10 days after acceptance ("15" if left blank), showing title to the Property as of a date no more
 514 than 15 days before delivery of such title evidence to be merchantable per lines 489-498, subject only to liens which will be
 515 paid out of the proceeds of closing and standard title insurance requirements and exceptions, as appropriate.

516 ■ **TITLE NOT ACCEPTABLE FOR CLOSING:** If title is not acceptable for closing, Buyer shall notify Seller in writing of
 517 objections to title within 10 days ("15" if left blank) after delivery of the title commitment to Buyer or Buyer's attorney. In
 518 such event, Seller shall have 10 days ("15" if left blank) from Buyer's delivery of the notice stating title objections, to
 519 deliver notice to Buyer stating Seller's election to remove the objections by the time set for closing. If Seller is unable to
 520 remove said objections, Buyer shall have five days from receipt of notice thereof, to deliver written notice waiving the
 521 objections, and the time for closing shall be extended accordingly. If Buyer does not waive the objections, Buyer shall deliver
 522 written notice of termination and this Offer shall be null and void. Providing title evidence acceptable for closing does not
 523 extinguish Seller's obligations to give merchantable title to Buyer.

524 ■ **SPECIAL ASSESSMENTS/OTHER EXPENSES:** Special assessments, if any, levied or for work actually commenced
 525 prior to the date stated on line 1 of this Offer shall be paid by Seller no later than closing. All other special assessments
 526 shall be paid by Buyer. "Levied" means the local municipal governing body has adopted and published a final resolution
 527 describing the planned improvements and the assessment of benefits.

528 **CAUTION: Consider a special agreement if area assessments, property owners association assessments, special**
 529 **charges for current services under Wis. Stat. § 66.0627 or other expenses are contemplated. "Other expenses" are**
 530 **one-time charges or ongoing use fees for public improvements (other than those resulting in special assessments)**
 531 **relating to curb, gutter, street, sidewalk, municipal water, sanitary and storm water and storm sewer (including all**
 532 **sewer mains and hook-up/connection and interceptor charges), parks, street lighting and street trees, and impact**
 533 **fees for other public facilities, as defined in Wis. Stat. § 66.0617(1)(f).**

534 **LEASED PROPERTY** If Property is currently leased and lease(s) extend beyond closing, Seller shall assign Seller's rights
 535 under said lease(s) and transfer all security deposits and prepaid rents thereunder to Buyer at closing. The terms of the
 536 (written) (oral) ~~STRIKE ONE~~ lease(s), if any, are _____

537 _____
 538 _____ . Insert additional terms, if any, at lines 655-660 or attach as an addendum per line 682.

539 **DEFINITIONS**

540 ■ **ACTUAL RECEIPT:** "Actual Receipt" means that a Party, not the Party's recipient for delivery, if any, has the document
 541 or written notice physically in the Party's possession, regardless of the method of delivery. If the document or written notice
 542 is electronically delivered, Actual Receipt shall occur when the Party opens the electronic transmission.

543 ■ **BUSINESS DAY:** "Business Day" means a calendar day other than Saturday, Sunday, any legal public holiday under
 544 Wisconsin or Federal law, and any other day designated by the President such that the postal service does not receive

545 registered mail or make regular deliveries on that day.

546 ■ **DEADLINES:** "Deadlines" expressed as a number of "days" from an event, such as acceptance, are calculated by
547 excluding the day the event occurred and by counting subsequent calendar days. The Deadline expires at Midnight on the
548 last day. Additionally, Deadlines expressed as a specific number of Business Days are calculated in the same manner
549 except that only Business Days are counted while other days are excluded. Deadlines expressed as a specific number of
550 "hours" from the occurrence of an event, such as receipt of a notice, are calculated from the exact time of the event, and by
551 counting 24 hours per calendar day. Deadlines expressed as a specific day of the calendar year or as the day of a specific
552 event, such as closing, expire at Midnight of that day. "Midnight" is defined as 11:59 p.m. Central Time.

553 ■ **DEFECT:** "Defect" means a condition that would have a significant adverse effect on the value of the Property; that would
554 significantly impair the health or safety of future occupants of the Property; or that if not repaired, removed or replaced would
555 significantly shorten or adversely affect the expected normal life of the premises.

556 ■ **FIRM:** "Firm" means a licensed sole proprietor broker or a licensed broker business entity.

557 ■ **PARTY:** "Party" means the Buyer or the Seller; "Parties" refers to both the buyer and the Seller.

558 ■ **PROPERTY:** Unless otherwise stated, "Property" means the real estate described at lines 4-8.

559 **INCLUSION OF OPTIONAL PROVISIONS** Terms of this Offer that are preceded by an OPEN BOX () are part of
560 this offer ONLY if the box is marked such as with an "X". They are not part of this offer if marked "N/A" or are left blank.

561 **PROPERTY DIMENSIONS AND SURVEYS** Buyer acknowledges that any land dimensions, or total acreage or square
562 footage figures, provided to Buyer by Seller or by a Firm or its agents, may be approximate because of rounding, formulas
563 used or other reasons, unless verified by survey or other means.

564 **CAUTION: Buyer should verify total square footage formula, total square footage/acreage figures, and land
565 dimensions, if material.**

566 **DISTRIBUTION OF INFORMATION** Buyer and Seller authorize the agents of Buyer and Seller to: (i) distribute copies of
567 the Offer to Buyer's lender, appraisers, title insurance companies and any other settlement service providers for the
568 transaction as defined by the Real Estate Settlement Procedures Act (RESPA); (ii) report sales and financing concession
569 data to multiple listing service sold databases; (iii) provide active listing, pending sale, closed sale and financing concession
570 information and data, and related information regarding seller contributions, incentives or assistance, and third party gifts,
571 to appraisers researching comparable sales, market conditions and listings, upon inquiry; and (iv) distribute copies of this
572 Offer to the seller or seller's agent of another property that Seller intends on purchasing.

573 **MAINTENANCE** Seller shall maintain the Property and all personal property included in the purchase price until the earlier
574 of closing or Buyer's occupancy, in materially the same condition it was in as of the date on line 1 of this Offer, except for
575 ordinary wear and tear.

576 **PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING** If, prior to closing, the Property is damaged in an
577 amount not more than five percent of the purchase price, other than normal wear and tear, Seller shall promptly notify Buyer
578 in writing, and will be obligated to restore the Property to materially the same condition it was in as of the date on line 1 of
579 this Offer. Seller shall provide Buyer with copies of all required permits and lien waivers for the lienable repairs no later than
580 closing. If the amount of damage exceeds five percent of the purchase price, Seller shall promptly notify Buyer in writing of
581 the damage and this Offer may be terminated at option of Buyer. Should Buyer elect to carry out this Offer despite such
582 damage, Buyer shall be entitled to the insurance proceeds, if any, relating to the damage to the Property, plus a credit
583 towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However, if this sale is financed
584 by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring
585 the Property.

586 **BUYER'S PRE-CLOSING WALK-THROUGH** Within three days prior to closing, at a reasonable time pre-approved by
587 Seller or Seller's agent, Buyer shall have the right to walk through the Property to determine that there has been no
588 significant change in the condition of the Property, except for ordinary wear and tear and changes approved by Buyer, and
589 that any Defects Seller has agreed to cure have been repaired in the manner agreed to by the Parties.

590 **OCCUPANCY** Occupancy of the entire Property shall be given to Buyer at time of closing unless otherwise provided in
591 this Offer at lines 655-660 or in an addendum attached per line 682, or lines 534-538 if the Property is leased. At time of
592 Buyer's occupancy, Property shall be free of all debris, refuse, and personal property except for personal property belonging
593 to current tenants, or sold to Buyer or left with Buyer's consent. Occupancy shall be given subject to tenant's rights, if any.

594 **DEFAULT** Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and
595 conditions of this Offer. A material failure to perform any obligation under this Offer is a default that may subject the defaulting
596 party to liability for damages or other legal remedies.

597 If **Buyer defaults**, Seller may:

- 598 (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or
599 (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for actual
600 damages.

601 If **Seller defaults**, Buyer may:

- 602 (1) sue for specific performance; or
603 (2) terminate the Offer and request the return of the earnest money, sue for actual damages, or both.

604 In addition, the Parties may seek any other remedies available in law or equity. The Parties understand that the availability
605 of any judicial remedy will depend upon the circumstances of the situation and the discretion of the courts. If either Party
606 defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution instead of the remedies outlined above.
607 By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of law those disputes covered by the
608 arbitration agreement.

609 **NOTE: IF ACCEPTED, THIS OFFER CAN CREATE A LEGALLY ENFORCEABLE CONTRACT. BOTH PARTIES**
610 **SHOULD READ THIS DOCUMENT CAREFULLY. THE FIRM AND ITS AGENTS MAY PROVIDE A GENERAL**

614 **ENTIRE CONTRACT** This Offer, including any amendments to it, contains the entire agreement of the Buyer and Seller
615 regarding the transaction. All prior negotiations and discussions have been merged into this Offer. This agreement binds
616 and inures to the benefit of the Parties to this Offer and their successors in interest.

617 **NOTICE ABOUT SEX OFFENDER REGISTRY** You may obtain information about the sex offender registry and persons
618 registered with the registry by contacting the Wisconsin Department of Corrections on the Internet at <http://www.doc.wi.gov>
619 or by telephone at (608) 240-5830.

620 **FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA)** Section 1445 of the Internal Revenue Code (IRC)
621 provides that a transferee (Buyer) of a United States real property interest must pay or withhold as a tax up to 15% of the
622 total "Amount Realized" in the sale if the transferor (Seller) is a "Foreign Person" and no exception from FIRPTA withholding
623 applies. A "Foreign Person" is a nonresident alien individual, foreign corporation, foreign partnership, foreign trust, or foreign
624 estate. The "Amount Realized" is the sum of the cash paid, the fair market value of other property transferred, and the
625 amount of any liability assumed by Buyer.

626 **CAUTION: Under this law if Seller is a Foreign Person, and Buyer does not pay or withhold the tax amount, Buyer**
627 **may be held directly liable by the U.S. Internal Revenue Service for the unpaid tax and a tax lien may be placed**
628 **upon the Property.**

629 Seller hereby represents that Seller is a non-Foreign Person, unless (1) Seller represents Seller is a Foreign Person in a
630 condition report incorporated in this Offer per lines 94-97, or (2) no later than 10 days after acceptance, Seller delivers
631 notice to Buyer that Seller is a Foreign Person, in which cases the provisions on lines 637-639 apply.

632 **IF SELLER IS A NON-FOREIGN PERSON.** Seller shall, no later than closing, execute and deliver to Buyer, or a qualified
633 substitute (attorney or title company as stated in IRC § 1445), a sworn certification under penalties of perjury of Seller's
634 non-foreign status in accordance with IRC § 1445. If Seller fails to timely deliver certification of Seller's non-foreign status,
635 Buyer shall: (1) withhold the amount required to be withheld pursuant to IRC § 1445; or, (2) declare Seller in default of this
636 Offer and proceed under lines 601-608.

637 **IF SELLER IS A FOREIGN PERSON.** If Seller has represented that Seller is a Foreign Person, Buyer shall withhold the
638 amount required to be withheld pursuant to IRC § 1445 at closing unless the Parties have amended this Offer regarding
639 amounts to be withheld, any withholding exemption to be applied, or other resolution of this provision.

640 **COMPLIANCE WITH FIRPTA.** Buyer and Seller shall complete, execute, and deliver, on or before closing, any instrument,
641 affidavit, or statement needed to comply with FIRPTA, including withholding forms. If withholding is required under IRC
642 §1445, and the net proceeds due Seller are not sufficient to satisfy the withholding required in this transaction, Seller shall
643 deliver to Buyer, at closing, the additional funds necessary to satisfy the applicable withholding requirement. Seller also
644 shall pay to Buyer an amount not to exceed \$1,000 for actual costs associated with the filing and administration of forms,
645 affidavits, and certificates necessary for FIRPTA withholding and any withholding agent fees.

646 **Any representations made by Seller with respect to FIRPTA shall survive the closing and delivery of the deed.**

647 Firms, Agents, and Title Companies are not responsible for determining FIRPTA status or whether any FIRPTA exemption
648 applies. The Parties are advised to consult with their respective independent legal counsel and tax advisors regarding
649 FIRPTA.

650 **SELLER PAYMENT OF COMPENSATION TO BUYER'S FIRM:** Seller agrees to pay to Buyer's Firm the amount of
651 _____ (e.g., dollar amount, % of purchase price, etc.), toward Buyer's brokerage
652 fees at closing. Payment made under this provision represents an economic adjustment only and does not create any
653 agency relationship between Buyer's Firm and Seller, and the Parties agree Buyer's Firm is a direct and intended third party
654 beneficiary of this contract.

655 **ADDITIONAL PROVISIONS/CONTINGENCIES** This sale is as is. Seller makes no representations or warranties regarding the condition
656 of the real estate except for those expressly state in this offer. The seller shall not contribute to any real estate broker fees

TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Patrick Wetzel, Town Administrator
AGENDA ITEM: Consider Ordinance 2024-008 – Create Advisory Park Committee

FISCAL IMPACT:

1. Is there A Fiscal Impact? Yes, if decide to compensate for time at meetings
2. Is it Currently Budgeted? Yes, it would be included in future budgets

Item History

Continuing on discussion about the idea of implementing a new committee to review for park, recreation and likely bike/pedestrian trails in the community, here's a quick review of what we've discussed:

- Consider 5 members on new committee, up to one being a Town Board member
- Consider 5 year terms for new members, with the initial appointments being staggered to ensure only one member is up for appointment in each future year
- Determine whether to compensate for time, or consider this a volunteer committee (Planning & Zoning Committee members receive a stipend for their attendance at meetings, currently). *Right now, we're suggesting that we'd pay a stipend similar to that of Planning & Zoning for attendance at meetings.*
- Consider implementing a basic statement of the purpose or focus of this committee within the ordinance. Generally, this would be intended to be an advisory committee on future park improvements and bike/pedestrian trail topics. The committee would be responsible to review the 2024 version of the Comprehensive Outdoor Recreation Plan (located within the Town's Comp Plan, which also includes bike/ped discussion points). This committee would be responsible to make recommendations on any future updates to these plans related to parks & recreation.
- Any future capital improvement projects relating to recommendations of this committee would still require the Town Board to budget or fund before projects become realized or executed.

A draft of the ordinance is attached for discussion. We would need to make a determination yet on where in the code of ordinances this would be placed, and therefore

likely need to amend the chapter where it is placed. We do not currently have a “Boards and Commissions” section of the Town’s ordinances, but the Planning & Zoning Cmte and Zoning Board of Appeals are included in the Zoning Chapter. If we would place the Park Committee similarly in the Park and Recreation Areas section, we’d likely need to amend that chapter to include it in proper numbering.

At this point we’re recommending to amend Chapter 197 – Park and Recreation Areas, by adding the Park Committee section as the new 197-3, and renumbering the remainder of the existing ordinance as a result.

Recommended Action By Town Board

Review and consider adoption of revised Chapter 197 ordinance – Park and Recreation Areas via Ordinance 2024-008.

TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Cindy Kocken, Clerk-Treasurer; Patrick Wetzel, Town Administrator
AGENDA ITEM: **Consideration of Deduct Meter Policy**

FISCAL IMPACT:

1. Is there A Fiscal Impact? Yes
2. Is it Currently Budgeted? Yes, through fees collected by those who participate

Item History

A second meter, or deduct meter, program would allow for residential customers to obtain a second water meter for the purpose of measuring how much water is used outside of the home. Customers pay for all water used by the main meter. They're also charged sewer usage on the same readings.

The second meter can measure how much water is used outside, which technically wouldn't go down the sanitary sewer system. Therefore, a second meter or deduct meter is used solely as a tool to measure outside water and not charge sewer on that volume from the main meter reading each quarter.

There are costs to the program as the meters cost money to obtain, read, maintain, etc.

The Town historically allowed for these second meters but did not have it approved in Town ordinance or in Water Utility tariffs approved by the Public Service Commission.

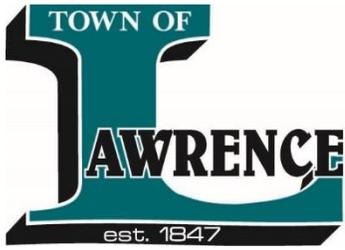

We've stopped issuing second meters during the recent PSC water rate case work over the past year. We have had additional customers request the ability to consider a deduct meter, and in consultation with the PSC during our water race case, it was decided that we would look to re-implement the deduct meter program as a Sewer Utility program.

Deduct Meter Policy:

This policy will outline the installation requirements of the second meter along with the additional fees that will be applied each quarter. The original fees were reviewed and updated to reflect the increases in cost since the program began more than 15 years ago. Also provided is the cost analysis for the consumer to determine the benefits of having a deduct meter.

Recommended Action By Town Board

Staff recommends approving Deduct Meter Policy, and ordinance amendment would be made to be considered in November as a result.

Deduct Meter Policy Information

Dear Lawrence Resident,

The Town of Lawrence Water Utility quantifies water and sewage usage by the use of a water meter. This standard meter installed in your home tracks all water usage and bills water and sewer accordingly. If you plan to use a lot of outdoor water that will not discharge to the sanitary sewer system you may choose to install an additional deduct meter.

A deduct meter is a separate meter that measures the amount of water used for items such as lawns, outdoor plant waters, washing vehicles, washing exterior surfaces, filling pools, etc.; water that does not go into the sanitary sewer system. The amount that goes through the deduct meter is then subtracted from the sewer usage and therefore no sewer charges are assessed. A separate meter is the only way to accurately measure the water used exclusively from outside faucets that is not flowing into the sewer system.

To request the installation of a deduct meter, please:

1. Complete the **Second Permit Meter Application** (located in this packet)
2. Hire a licensed plumber to reconfigure plumbing to the outside lines in preparation to have a second meter installed on the service line after the primary water meter.
3. Contact Town of Lawrence Utility Department at (920) 336-9131 to have a utility personnel inspect the work to ensure the deduct meter plumbing is in the correct location, and that it only serves the outside hose bibs and does not serve any water fixture that leads to a drain inside the home. Utility personnel will then install the deduct meter.

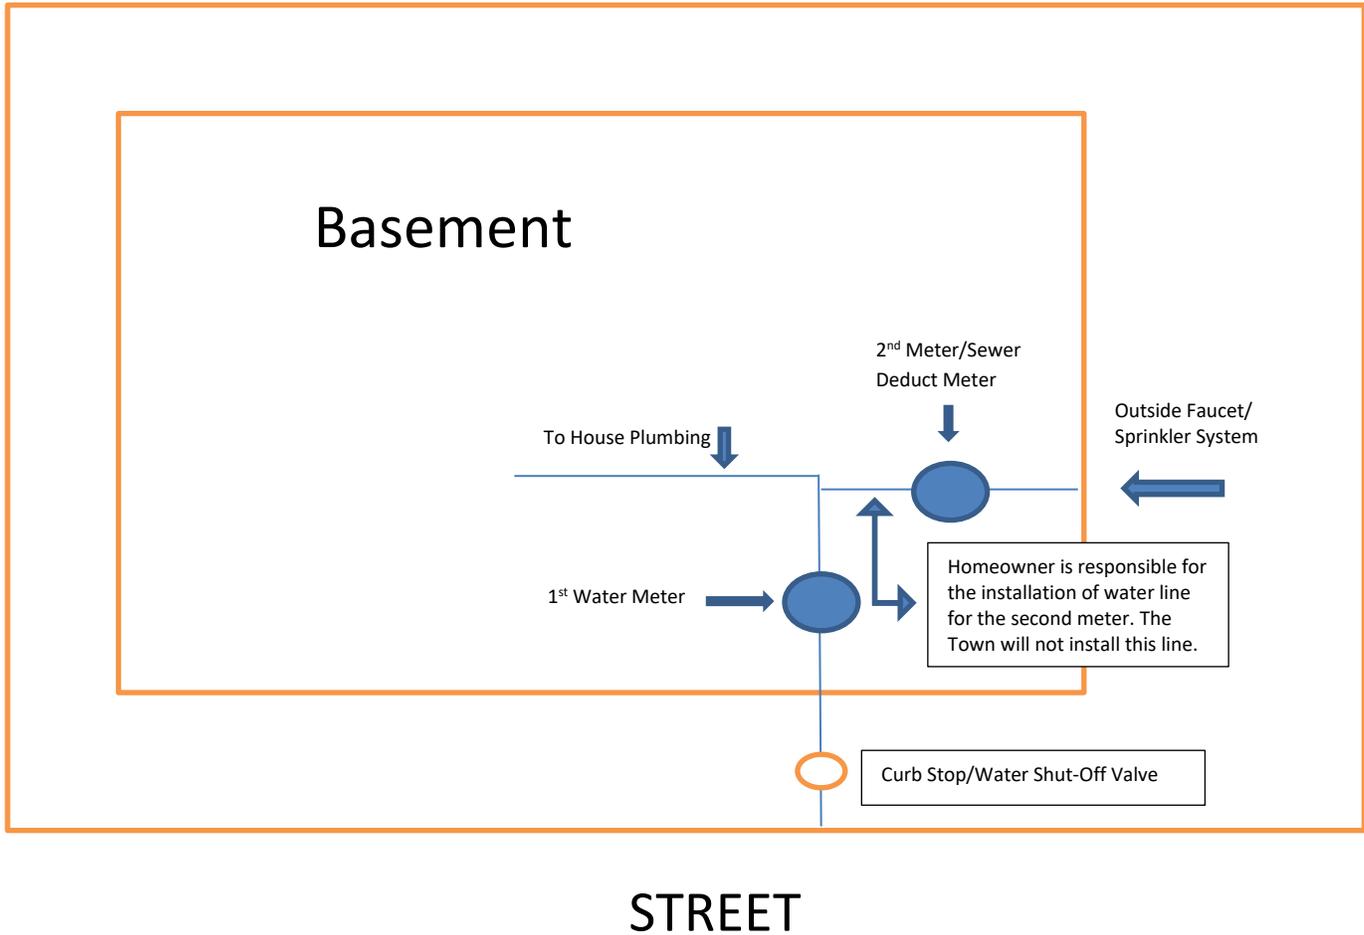

If you have further questions or would like clarification of any information presented herein, please feel free to contact the Town Hall at (920) 336-9131.

Re: Notice of Claim for an Incident Occurring on May 2, 2024, in the Town of Lawrence

Dear Clerk,

The Claimant, Darren Robert Johnson, hereby presents his Notice of Claim pursuant to Wis. Stat. § 893.80.

On May 2, 2024, while involved in an interaction with law enforcement, a canine officer was directed to attack me. This attack resulted in great injury to me and required medical intervention. Because of the attack, I had to be taken to the hospital for treatment for the multiple bite marks I sustained to my hand. I continue to suffer the after effects of the attack by the canine officer. I've suffered a great deal of pain both during and since the attack.

Law enforcement's use of excessive force resulted in unnecessary pain and injury to myself.

I am entitled to medical expenses for my ongoing treatment as well as compensation for the pain and suffering I've experienced suffered due to the use of excessive force by law enforcement on May 2, 2024. I believe that I should receive \$300,000.00 as compensation for my medical expenses and pain and suffering.

Sincerely,

Darren R. Johnson
