

# UPDATE 03.23.25

## WATER MAIN BREAK ON SCHEURING ROAD

The precautionary boil/bottled water notice has been **canceled**. We received both test results from the past 48 hours, and they have all come back negative for bacteria.

The water is safe to drink.

There is no additional action required. No need to change water filters or flush pipes in your home.

If you have any questions or concerns, please contact Kurt Minten, Director of Public Works at (920) 660-6695 or (920) 336-9131
